

	$H_0$ True	$H_0$ False
Reject $H_0$	Type I Error	Correct Rejection
Fail to Reject $H_0$	Correct Decision	Type II Error

# Errors

- A hypothesis is not factual. It is highly dependent on the researcher
- **Type 1 error** - Rejecting the Null hypothesis when it's actually true
- **Type 2 error** - Failing to reject the null hypothesis when it's actually false
